

# H.E.L.P. Book Resource List

This is a list of all the books that each class will require, with a few exceptions from teachers that will ask that supplement books or papers be purchased from them. The **ORDER FROM** column is just a suggestion.

There are lots of places to order your books from - amazon.com, christianbooks.com, half.com, rainbowresource.com, abeka.com, bjudpress.com - so check around for the best price.

If no books are listed for your class - that normally means that none are required - check your Course Catalog or teacher on Orientation Day.

On abeka.com you can find out when the next local book show is and get free shipping.

If you want BJU books you can email Kim Jackson - kimjax@msn.com - you get FREE SHIPPING!!!!

RainbowResource.com gives you free shipping if you order a certain dollar amount.

Half.com is a wonderful place to get used books.

If you have any questions - please email Beth Beasley at cats@sc.rr.com
